LEGAL BATTLE ON THAW CASE BEGINS

Counsel for Fugitive Endeavor to Delay Hearing in Case.

REARREST IS CERTAIN.

Lawyers Will Keep Client Out of Court—Escaped When he Heard His Wife Was Going on the Stage.

Sherbrooke, Quebec, Aug. 21.—The Thaw defense got down to business today. With George Lauder Carnegie directing his lawyers, and Dr. Britton D. Evans, noted New Jersey alienist, in charge of the medical experts who will try to prove Thaw is sane, the decks were cleared for action.

It was not expected that Thaw would appear in court. He will not if his lawyers can help it. They will delay as long as possible, meanwhile preparing for any contingency. When he does reach court he is certain to be immediately discharged, as his commitment is admittedly imperfect.

His lawyers would prefer that he be remanded as they expect his immediate arrest. But they admitted that they were ready for any and all moves, and there was a general optimistic feeling in the Thaw camp that he would never be turned back to the asylum authorities at Matteawan.

Local attorneys who have familiarized themselves with the situation say that Thaw can never hope to be turned loose and permitted to stay in Canada. But they say that they believe eventually that he will be permitted to choose his own route in continuing his journey. A copy of all of the evidence in the case has been sent to the Dominion authorities at Ottawa.

Sherbrooke, Quebec, Aug. 21—Harry Kendall Thaw, behind the iron bars of a Dominion of Canada jail, told a group of reporters that he had committed no crime and had been justified in escaping frm the Matteawan State Hospital Sunday morning.

Thaw added that he was agitated by the news of the return to the stage of Mrs. Evelyn Nesbit Thaw, and that it had had much to do with his desire to escape from prison.

CONDITIONS IN EUROPE.

Spain to Take Russia's Place in Triple Entente And Russia Will Head Slave Alliance.

Madrid, Aug. 21.—A mighty upheaval of the political relations of the big powers of Europe is reported to be imminent. This change in the alignment of the great continental world powers was brought about by the Balkan war, and in the future will probably play an important part in the history of civilization.

According to information secured from a semi-official source, a project is under consideration by which Spain is to take Russa's place in the triple alliance including some of the Slav States. Whether Russia is to throw her fortunes with Bulgaria, or whether she will head a group of Balkan powers, including Servia, Roumania, Montenegro, and Greece, is not known It is pretty certain, however, that Russia will take steps soon to form a league with states which have become prominent and powerful in the Balkan war.

With Russia out of the triple alliance Spain would still have two powerful allies—Great Britain and France.

Territorial accessions of England, France, and Spain have, to some extent, given them common interests.

There is a movment afoot in Paris to try to hold Russia in the alliance, but it is doubtful whether it will prove successful. If Russia remains with the old alliance and Spain is added, the triple alliance, including Austria, Germany, and Italy, will be completely overshadowed.

NEWS OF THE DAY.

Dr. C. I. Fletcher, of Indianapolis, was instantly killed in Glacier Park, Mont., yesterday when scaling Blackfoot glacier He fell 600 feet.

A new appliance to make aeroplaning safe was successfully tried out at the aerodrome in Paris yesterday. Aviator Pegound ascended 800 feet in a monoplane and then intentionally tipped the machine over, causing it to fall. An automatic parachute attached to the car saved Pegoud's life.

President Wilson has chosen Representative Francis Burton Harrison of New York to be Governor General of the Philippines. His nomination was sent to the Senate yesterday afternoon. Mr. Harrison is a member of the Ways and Means Committee and has played a prominent part in the two revisions of the tariff which have been prepared by this committee in the last three years.

Charging that William Sulzer has been guilty of usurpation in every official act since his impeachment; and that, in a secret visit to the Captiol at Albany, N. Y., a few hours before the vote was taken, he attempted unduly to influence votes in his favor, will be added to the already long list that has been prepared by the assembly board of managers, which will handle the prosecution before the High Court of Impeachment.

"In eloping from Sacramento, Cal., to Reno, Nev., Maury I. Diggs, former State architect of California, was guilty under the Mann white slave act, which makes it a felony to transport women for immoral purposes from one State to another." This was the verdict last night of the jury at San Francisco that tried him. There were six counts in the indictment, and the jury found a verdict of guilty on the first four. Each count carries a maximum penalty of five years and a minimum of one year in a Federal penitentiary.

Louis Hornblower, a son of W. B. Hornblower, a lawyer and financier of New York, shot himself Tuesday night at Johnson City, Tenn. Hornblower, who is 30 years old ,is said to be mortally hurt. It is said he attempted suicide.

Thirty-five workmen, caught 440 feet underground, in a section of the Catskill aqueduct, in course of construction under Washington Heights, near New York, when fire broke out in the shaft house overhead last night, were found unarmed two hours later, when the fire was controlled. Their chief suffering had been from lack of air, cut off by the smoke.

Mystery surrounds the suicide of a young woman whose body was discovered Tuesday night in an apartment to which she had been assigned at a beach-front hotel, at Atlantic City. Edith A. Rea, of New York City, was the name affixed by her to the hotel register when she applied for an apartment at 3 o'clock in the afternoon, but when her effects were examined four hours later ,after she had been discovered dead with a bullet wound in her right temple, not a single clew could be found bearing on her identity. She was apparently 25 years old, was dressed fashionably, and bore every evidence of refinement. Three diamond rings encircled her fingers; sh e wore a bracelet of odd design, and in her small purse was found $18. The woman was 5 feet 9 inches in height, weighed about 125 pounds, had auburn hair, and was clothed in silk shirtwaist, blue skirt, and jacket of excellent material.

Secretary Daniels yesterday directed the punishment of the sailors of the Pacific reserve fleet who participated in the destruction of the property of the Industrial Workers of the World and Socialists in Seattle July 17 and July 18, if they can be identified though he seevrely condemned the civilians who abused the sailors and the American flag. Rear Admiral Reynolds, however, dispatches say, declares the men cannot be identified, so punishment will be impracticable.

DIGGS IS FACING 20-YEAR TERM

Planning to Make an Immediate Appeal From Lower Court

GUILTY ON 4 COUNTS.

Father of Prisoner to Spend Fortune to Save His Son From The Penitentiary.

San Francisco, Cal., Aug. 21.—An immediate appeal will be taken in the case of Maury I. Diggs, convicted as a white slaver by a jury at an early hour this morning.

Diggs father says that he will spend the last dollar of his fortune in a fight to keep his son from prison.

Diggs was found guilty on four of the six counts upon which he was tried. Each count calls for a sentence of five years. The jury took nine ballots. The men were unanimous on the first four counts, but could come to no agreement on the other two.

The conviction of Diggs indicates that Drew Caminetti,who is placed on trial today, will suffer a like fate. The evidence against Caminetti is practically the same as that which convicted Diggs.

There were six counts in the indictment against Diggs and the jury found a verdict of guilty on the first four. Each count carries a maximum penalty of five years and a minimum of one year in the Federal penitentiary.

Nine ballots were taken by the jury, and from the first the jurors were unanimous for conviction on the first four counts, but on the fifth, charging the defendants with persuading and inducing Marsha Warrington to go from Sacramento to Reno for immoral purposes, and on the sixth, charging the same offense, with respect to Lola Norris, they were as obstinately disagreed.

With reference to Marsha Warrington the vote stood seven for acquittal and five for conviction for the nine consecutive ballots. With reference to Lola Norris the vote stood ten for conviction and two for acquittal, likewise for the nine consecutive ballots.

Diggs his wife, father, mother, and his three aunts, Mrs. Drew Caminetti, and Mrs. Anthony Caminetti, were in court waiting for the verdict.

TEMPORARY RECEIVER.

Robert H. Cox Appointed to Take Charge of News Publishing Company.

Upon the application of Edmund Burke, of Washington, attorney for Mrs. Nellie V. Ramey, the largest stockholder of the News Publishing Co., who recently secured a receiver for the company, an order was entered in the Corporation Court this afternoon appointing Robert H. Cox, city sergeant, as temporary receiver of the News Publishing Company.

According to an affidavit filed with the petition the plant was yesterday found by Mr. Burke in possession of three former employees of the News, Harry Wade, Theodore Chambers, and Archie Cleveland, who, according to their statement, had leased the plant from C. S. Taylor Burke, one of the receivers. In connection with Lewis H. Machen, former editor of the News, they were preparing to issue a newspaper which would make its appearance tomorrow under the name of the Progressive Democrat. No order had been entered by the court permitting the renting of the plant.

Mrs. Ramey, in her petition, declared that the publication of a newspaper from the plant would be prejudicial to her interests, as a stockholder of the News.

Both of the former receivers, C. S. Taylor Burke and Walter C. Foster, are out of the city.

AFFECTING SCENE IN COURT.

Complainant Wife Falls in Swoon When Called to Testify Against Husband.

Another man was before the Police Court this morning to answer the charge of nonsupport of his wife and children.

After the disposition of other cases on the docket and the room had been cleared of curious spectators, the neglected wife, pale and emaciated, and looking as though life was being held together by a slender thread, walked slowly into the room. She seemed to be confused and reeled, her eyes became set and she started to fall as a statue shoved from the front. Officers who were near saved her from a fall which might have resulted seriously. The woman was carefully removed to an adjoining room where she was later resuscitated but not sufficiently to enable her to face her delinquent husband.

It was determined to postpone the case until a late hour this afternoon. In the meantime the accused was allowed to depart for his business occupations until the hour set for the trial. The scene may produce a beneficial effect upon him.

Sad pictures similar to the above are occasionally witnessed in the Police Court. They should prove object lessons to the thoughtless whose lives are on lines which keep the wolf at the door of their homes, thus bringing distress upon those they obligate themselves to love and nurture. As in other cases little children were compelled to witness this dismal scene at a time when those responsible for their being should do all possible to bring joy and gladness to their innocent hearts.

NEW PROGRAM IN MEXICAN ISSUE

Lind and O'Shaughnessy Receive Instructions Today.

CONTENTS UNKNOWN.

Are Believed to Have Important Bearing on the Future Course of The United States.

Washington, Aug 21.—The first steps in the new program of President Wilson in the Mexican situation were taken this morning, it is believed, when certain instructions were wired to Mr. Lind and Charge d'Affaires O'Shaughnessy. It is not known what these instructions were, but they are believed to have an important bearing on the future course. It is not believed that they instructed Mr. Lind to recede from the position of this country as established in the original proposals.

Consequently, unless Huerta comes to terms, it is possible that the United States will discontinue its efforts to bring about peace, and adopting instead a policy of noninterference, will let events shape themselves until such time as the Mexicans themselves straighten out their troubles, or until a demand for assistance comes from Mexico itself.

Although the concluding paragraphs of the $7,000-word reply of the Mexican government are still coming over the wires of Mexico City, enough has been received to show that President Huerta has rejected the proposals made by President Wilson for mediation, and that, as far as the reply itself shows, John Lind's mission has failed.

There is some hope felt here in the fact that Lind and Huerta are continuing their conferences in the Mexican capital, and the more optimistic among the Washington officials interpret this to mean that the Mexican executive, having obtained whatever popularity he may have hoped for among the Mexican people by his resistance to the United States' proposals, is now ready to modify his reply.

At all events, it is evident that President Huerta is playing for time, and that the recent victories of the federal troops have encouraged him to believe that, if he can prevent the United States Government from lifting its embargo against the shipment of arms to the rebels, he can, in a short time, crush all organized rebellion against his regime.

PASTOR ELOPES WITH CHILD.

Church Will Fire Minister Who Married 14-Year-Old Girl.

Cumberland, Md., Aug. 21.—Members of the Christian Church of Elm Grove, W. Va., have demanded the resignation of Rev. Thomas A. Cox as pastor beause he eloped to Maryland and married 14-year-old Elsie Gamble, the daughter of a Wheeling (W. Va.), carpenter.

According to the marriage license records in Cumberland, Mr. Cox and the Gamble girl were married here on July 7 by Rev. George E. Brown, pas or of the Bedford Street Methodist Protestant Church. When the Elm Grove pastor secured his marriage license he stated that the girl was 16 and his age as 29. It is stated that Cox is 30 and the girl he married is but 14. The record here discloses that Cox gave his occupaton as school teacher.

The discovery of the secret marriage of the minister to the child came when the father, W. W. Gamble, chastised his daughter Tuesday. Cox interfered. When the father challenged the right of Cox to interfere he announced that the child was his wife.

The official board of the church heard of the admission and met immediately. Cox and his young bride left for Pittsburgh when it became known that the former's resignation had been demanded.

Miss Emily Johnson left today for Charlestown, W. Va., where she will visit friends.

BANKER'S WIFE A SUICIDE.

Granddaugher of Former Alexandria Clergyman Ends Her Life.

A dispatch received in this office today from Los Angeles, Cal., states that Mrs Robt. McMann, wife of Robt. McMann., Jr., committed suicide at Redondo Beach yesterday by shooting herself. The deceased had been a sufferer from despondency and her husband had taken her to the beach in hopes her health would improve.

Mrs. McMann arose early yesterday morning for the purpose of quieting her infant, but later entered an adjoining room where her husband had placed his revolver. She took the weapon from beneath a pillow and fired two shots, one of which penetrated her head, killing her instantly.

The deceased was formerly Miss Jeanette Walker, of Clarksville, W. Va. She was a granddaughter of the late Dr. Walker, who near the breaking out of the civil war was rector of Christ Church in Alexandria, he having succeeded the late Rev. Dr. Dana.

FRIGHTFUL ACCIDENT TO GIRL.

Drawn to Motor, Child is Shocked to Instant Death.

South Boston, Va., Aug. 21.—Little Miss Louise Mebane, the 10-year-old daughter of Mr. and Mrs. Thomas H. Mebane, was accidentally killed Tuesday night at the home of her parents, near Wilbourne Avenue. Mr. Mebane has a workshop in the basement of his home and on the east side of the room was an electric motor, carrying 104 volts, but the current was turned off. The child was helping her mother clear away the supper dishes, replacing them in a cupboard three feet from the motor, and in so doing was quickly drawn backward to the motor, and, having heart trouble, it is supposed the shock killed her. Her 7-year-old sister, Miss Estelle, seeing the accident, tried to pull her from the motor and was severely shocked. Her mother, who was holding her infant in her arms, at this moment, also started to the rescue, but in laying the infant on the cement floor, she found to her horror that the entire floor was charged. She also received a shock.

Miss Maude Mebane, daughter of Mr. and Mrs. J. H. Mebane, who happened to be present, tried to rescue both Louise and Estelle, and she also received a violent shock.

The entire matter is a mystery, as Mr. Mebane, who is an experienced electrician, stated that he could not unravel the mystery, as the current was switched off, and even when the current was on he and his family had come in close contact with the motor for the past two years, and had never had any shock or trouble whatever. In this instance, however, the flow of current came from the ground, and the entire floor became charged.

NEW YORK STATE'S TWO EXECUTIVES

Lieutenant-Governor Glynn Takes Charge of Second Office.

SULZER'S PORTRAIT.

Impeached Governor in Old Executive Chamber Down Stairs Working Early and Late.

Albany, N. Y., Aug. 21.— When Lieutenant Governor Glynn, as acting governor, took charge of the new executive chamber on the third floor of the capitol building today, Capitol guards "pointed with pride' to New York's two executive chambers and explained that "New York is the only State in the Union having two governors."

Glynn's new offices are near the legislative halls, and contain pictures of speakers of the assembly. Opposite Glynn's desk is a portrait of Speaker Sulzer. Capitol attendants are waiting with keen interest to see whether the new office force, now being selected, will be instructed to rearrange the art collection.

Down stairs in the old executive chamber Sulzer works early and late and receives visitors cordially. He also receives all mail addressed to the Governor of New York. Government regulations provide for its delivery at the "executives offices," and Glynn's lawyers refuse to allow his friends to initiate proceedings for a change apparently fearing such action would give the governor a chance to test Glynn's title to the courts.

BLAZE IN JERSEY CITY.

Forty Dwellings and Factories, Covering Three Blocks, Burned, Loss of $1,000,000.

Jersey City, N. J., Aug. 21.—More than 40 dwellings and factories, covering a space equal to more than three city blocks, in the Lafayette section of this city, were destroyed by fire in less than three hours. The aggregate loss is about $1,000,000.

As the flames mounted over the roofs of the factory buildings the people in the tenements became panic-stricken and rushed into the streets, mothers carrying their babies and calling to the older children to save themselves. The first many of them knew of their danger was a sudden cloud of smoke and the hot breath of the fire as it advanced with a rush.

The smoke and heat were so overpowering that the firemen were driven back again and again before the hot blasts and many of them were overcome.

Soon more than a thousand frightened tenement dwellers were huddled in the streets surrounding the burning blocks while as many more were struggling in the houses on the edge of the fire zone to get their belongings to a place of safety. The panic spread to the neighboring blocks and families began to move out who lived far beyond the danger line.

The fire was at its height when there was a terrific explosion in the Enos F. Jones Soap Works and the dense crowds fell back in fear. The explosion was thought due to the chemicals used in the manufacture of soap, and the police reserves extended the fire lines for fear of another. A second explosion followed within a few minutes and the building collapsed.

Forty dogs under observation for hydrophopia in a shelter of the Society for the Prevention of Cruelty of Animals, were shot to death just before the flames reached that building. All the ambulances in the city were sent to the scene to attend firemen overcome by smoke or burns.

THREE NEGRO FOOTPADS

Operator Relieved of Watch and Money and Lawyer Waylaid in West End

Irving Stout, the railway telegraph operator at Franconia, Fairfax county, a short distance south of Alexandria, was waylaid last night as he was driving from a picnic to his home. It was barely 7 o'clock and still light, when three negros suddenly halted Mr. Stout's horse, and commanded him to leave the buggy. When one of the men pointed a pistol at him he obeyed, and was held, under threats of being shot, while the others robbed him of his gold watch, his scarf pin, and $18. Mr. Stout was then allowed to proceed.

Charles Corgan, an Alexandria attorney, whose home is about a mile west of this city, on Duke street extended, was halted by three men, answering the description of Mr. Stout's assailants, when he was a short distance beyond the city limits about two hours after Mr. Stout had been held up. When one of the negroes produced a revolver Mr. Corgan fled to Ballenger Bros.' grocery store, a short distance away. A small posse searched the neighborhood, but no trace of the men could be found. The negroes were between 20 and 25 years old Only one apparently was armed.

The police department of this city was immediately notified of the occurrences and descriptions of the footpads. The officers are endeavoring to identify the three men.

COMMISSIONERS MEET

Special Officer Elected, Minor Business Transacted and Interchange of Opinion

The Board of Police Commissioners met last night in the Mayor's Office. In the absence from the City of Mayor Fisher, F. F. Marbury, President of the Board of Aldermen, presided, and Messrs. Shinn, Knight, Oehlert, and Lawler were present.

The monthly report of Chief Goods was to the effect that since his last report there had been 147 prisoners at the police station.

Albert M. Sunderlin was elected a special policeman for duty at the Mount Vernon Stables upon the application of the management.

On motion of Commissioner Lawler, the Board directed Chief Goods to detail two men for all night patrol duty in the Second Ward on Saturdays. It was stated that this ward, especially in the northeastern section of the city, is extremely dangerous during the wee sma hours of Saturday.

The obtaining of a fire alarm and police call system for the city were informally discussed. It, however, was decided to defer making any recomendations in the matter until the next meeting of the board of commissioners, it being explained that this matter was submitted to the City Council some time ago and now is in the hands of the joint committee on finance and police of that body.

It was the concensus of opinion that more policemen were needed for the city.

The Board adjourned at an early hour.

ALEXANDRIA GLASS WORKS

Will Resume Operations September 2—Indications of Prosperous Season.

The opening of the three glass factories of Alexandria an event of considerable interest to this city, because of the large number of men who are employed in the works, will take place on September 2nd. Large forces of men are now employed making repairs to the buildings and preparing for the starting of the furnaces on that date. Repairs to the Old Dominion Works, to cost $5,000 were commenced yesterday. Considerable damage to the building and furnaces were caused by the storm of July 30th, one of the sheds being practically demolished. The Alexandria Glass Works will open under new management, the plant having been purchased at auction recently by a new corporation.

Many glass blowers who have been spending the summer months at vacation resorts have returned to Alexandria ready to commence work the first of next month. The outlook for a prosperous season is said to be good.

WARRENTON HORSE SHOW.

Memorial Plate Won by "David Gray" Owned by Miss Elkins.

Warrenton, Va., Aug. 21.—The fifteenth annual exhibit of the Warrenton Horse Show Association opened here yesterday morning. The first-class of the exhibit were thoroughbred stallions, half bred brood mares, half bred suckling colts, thoroughbred brood mares with foal at side, heavy draft two-year-olds, general utility two-year-olds, harness horses exceeding 15:2 hands, hunters four-year-old and under, ponies under harness 12 hands and under, and light weight hunters.

After this class recess was taken, and the tandems class was called to be followed by roadsters, ladies' hunters, ponies 12:2 hands under harness, saddle horses free-for-all handicap jumpers, combination harness and saddle horses, matched pairs of horses in harness, closing the day with corinthian hunters.

The classes contained more entries than in former years. The grandstand was filled with handsomely gowned women and well dressed men representing many Eastern cities, notably Washington, Richmond, Baltimore, Philadelphia, and New York. About 3,500 were present. The Warrenton Concert Band was in attendance.

Ten well-filled classes filled the day, the first class of general interest being harness horses exceeding 15:2

In hunters, four years and under, eighteen splendid entries were shown, and many spectacular and clean scores were recorded.

The C. W. Smith memorial plate was won by David Gray, owned by Miss Katherine Elkins, of the Homewood Stables, and shown by Arthur White. Entries of Mrs. Thomas Turnbull, in classes 15 and 15 1-2, also won cups. The ladies' jumpers brought out Mrs. Allen Potts, Mrs. Julian Morris, Mrs. Archie Randolph, Miss Kitty Smith, Miss Mabel Flynn, and Miss Rasmussen, who rode a number of entries. Mrs. Morris won the class on David Gray. The harness classes were well filled, Dr. Churchman coming in for the bulk of first awards.

FINED FIFTY DOLLARS.

Dry Sundays at Ocean View Hereafter.

Norofik, Va., Aug. 21.—Carey P. Wibern, of the Rose Club on the Ocean View cottage line, was Tuesday evening fined $50 and costs and required to give a $500 bond by Justice J. S. Carmine at Ocean View upon the charge of selling liquor without a license. The fine was paid and George Frank became bondsman for Wilbern on the $500 bond.

The Rose Cottage was raided on Sunday last by Chief of Police A. J. Backus, of Norfolk county, when several barrels of beer and a crate of beer were found in the yard of the Rose Club, Ocean View officers said after the trial that all Ocean View speakeasies had to be broken up or the officers themselves would be dismissed.

"I intend to stay here," said Constable John Hayes, "and every speakeasy that I can find has go to go."

Amelia Dilcher, a cook, rendered temporarily insane by the intense heat of the kitchen in which she was working Tuesday, poured boiling fat over three women and a baby at the State Island, N. Y., household, where she was employed, frightfully burning all four victims. The cook ran from the house and has not been caught.

KILLING OF MRS. JAMERSON.

Husband Was Playing When he Shot His Wife.

Lynchburg, Va., Aug. 21. — John Jamerson, the young man who is charged with murdering his wife. Mrs. Ossie Jamerson, Sunday afternoon as a result of alleged jealousy and a quarrel about a dog, waived a preliminary hearing Tuesday afternoon and at the request of his counsel the case was sent to the Campbell county grand jury.

It is alleged that Jamerson had been drinking when he engaged in a violent quarrel with his wife, who fled from their home, being killed in the doorway of a neighbor's home.

Jamerson shows great remorse for his crime, claiming that he did not intend killing his wife, and that he was only playing with her when he shot her. He cries repeatedly and begs to be allowed to see his dead helpmate.

AUDITOR MOORE'S FIGURES.

Shows Some Very Gratifying Increases.

Richmond, Va., Aug. 21.—"By their fruits ye shall know them," said Auditor C. Lee Moore yesterday as he gazed on several books which had come to him from commissioners of the revenue. He found that the best work had been done in those places where the figures have always been reasonably fair.

In some of the cities there have been losses. This applies also to the counties. It is in those sections that the courts will have to call special grand juries to ascertain what the officials have not done in the way of making assessments.

Comparative figures made public by Auditor Moore give the following in reference to Alexandria city:

1912—Tangible, $259,131; intangible, $1,651,495; incomes, $85,950.

1913—Tangible, $258,477; intangible, $1,879,960; incomes, $139,483.

STORM IN ASHLAND.

Lightning Plays Havoc With Electric Plant and Terrorfies Residents.

Ashland, Va., Aug. 21.—Residents of this place are recovering from the excitement incident to the severe electric storm which passed over Ashland Tuesday afternoon. It is generally agreed that the storm was the worst that has visited these parts in several years.

Four colored men residing within the vicinity of the town were grazed by streaks of electricity and for a time it was feared that they would not recover from the shock.

The electric plant was so much affected that there were no lights in Ashland Tuesday night. As the result lamps had to be called into play, and in some instances, where they were not available, the residents retired earlier than usual rather than sit up in Egyptian darkness.

ELLYSON SPENT $2,229.

Postage, Printing, Clerical Help and Incidentals.

Richmond, Va., Aug. 21.—Lieut.-Governor Ellyson spent $2,229.65 in his fight for the office which the people nominated him by a majority greater than the total vote cast for his two opponents.

The papers, filed with the Secretary of the Commonwealth, show that he spent $1,240 for postage, some $340 for clerical help, more than $400 for printing while the remainder went for telegrams, traveling expenses, hotel bills, advertising and the like. He accounts for every cent spent in the aggregate.

And he has a certificate of nomination in return for the campaign which he made. The position pays $750 a year and is good for two terms, totaling $1,500.

NEGROES ATTACK BOY.

Beat Him Unmercifully and Used Their Knives on His Bicycle Tire.

Norfolk, Va., Aug. 21.—As he was riding his bicycle down a dark stretch of Bowdens Ferry road Tuesday night about 9 o'clock, Victor Harris, a messenger boy of the Western Union Telegraph Company, was attacked by three unidentified negroes. One of them grabbed the boy by his clothing and after he had pulled the youngster from his bicycle the others joined him with hitting Harris with their fists and kicking him with their feet.

When the boy was half unconscious and bleeding about the face from cuts inflicted by the negroes' fists, they went through his pockets. Finding them empty they threw him into the bushes, gashed the tires of his wheel with their knives and threw the bicycle on top of the rider. Waiting until the maudlin songs and laughter had died away, Harris crawled out of the under brush and taking his broken wheel with him returned to the office of the company where he reported the assault and then went home.

HEAD TORN OFF.

Negro Youth Meets Horrible Death—Lightning Strikes Calcium Gas Tank.

Richmond, Va., Aug. 21.—One fatality resulted from severe electrical storm which visited Richmond Tuesday afternoon. While at work tanking calcium carbide gas for use in automobile headlights at a plant located at 1012 Bacon street, Irvin Johnson, colored, 15 years old, residing on St. Peter's street, had his whole head blown off by lightning about 4:30 o'clock Tuesday afternoon.

Death was instantaneous. Passers-by seeing the blaze summoned aid and the fire was extinguished. The lifeless body of the boy was removed from the building. The head was completely torn from the body by the explosion and the face and body seared by the burning gas.

Washington, Aug. 20.—Broken-hearted over the death of her little daughter, who was run down and killed by an automobile on March 20, Mrs. Carrie Johnston, a widow, thirty-five years old, of 1835 Oregon avenue northwest, attempted to end her life this morning by swallowing several bichloride of mercury tablets in her home.

RECENT HOLDUPS IN FAIRFAX COUNTY.

The bold act of three negro highwaymen in West End, about a quarter of a mile from the corporate limits of Alexandria, has again manifested the wisdom of a few people in that suburb who favored annexation of that part of Fairfax to our city about a year ago. Judge Gordon, of Nelson county, however, thought different, and West End, one of the overflows of Alexandria, which the residents are pleased to term "Duke street extended" is still without fire or police protection.

There are often disturbances in this place, and a few years ago drunken men, especially on Saturday nights, made it uncomfortable for people residing west of the Stone Bridge. Numerous complaints were made to the Alexandria police and several arrests of noisy men on the edge of the city were made.

About a third of a century ago a serious disturbance occurred in a public house a stone's throw west of the corporate limits, during which one man was seriously cut. The Alexandria police arrested the parties and they were tried in the Corporation Court of this city.

A white man was arrested in this city recently on a felony charge, alleged to have been committed a short distance from this city. The offender was turned over to the county authorities. It is not known what disposition was made of the case.

Considerable difficulty is experienced when offenses are committed in West End in getting the wheels of the law to move from the fact that the nearest magistrate's office is on top Seminary Hill, and an assailant murderer or burglar could reach Baltimore before pursuit could be given should the police force of Alexandria fail to come to the rescue.

For some time the Police Court of this city refused to take cognizance of offenses committed in West End or the Union passenger station, but during the present summer that tribunal has handled cases which originated at these places, as they are within the one-mile police jurisdiction. But this is not obligatory upon the city authorities.

The holdup of an Alexandria attorney by three armed negroes about dusk yesterday evening is another reminder to our neighbors, and should they not desire to cast their lot with our city, they should meet at once and devise ways and means of securing protection from highwaymen almost under the shadow of the Capitol at Washington.

WETS SEND PROTEST.

Fifteen Voters of Chatham Sign Petition Against Recent "Dry" Victory.

Danville Va., Aug. 21.—Basing their hopes on the State law that no special or local option election shall be legal if held within thirty days of any regular election, a petition has been filed in the Clerks Office of the Circuit Court at Chatham asking that the election held there on Aug. 7th, which resulted in a dry victory by a majority of nine, be declared null and void. Fifteen names, all voters, signed the petition, and information received tonight over long distance telephone from Chatham is to the effect that if another election is ordered there may be a change in the result. This opinion is based on the failure of fourteen registered voters to vote, being either out of town or failing to cast their ballot on August 7th.

CANDIDATES FOR SPEAKER.

Many Old Members of House Aspire to Speakership.

Richmond, Va. Aug. 21. — Three possible candidates for the speakership of the next House of Delegates were callers at the capitol yesterday. They were Hugh A. White, of Rockbridge; Walter T. Oliver, of Fairfax, and Judge Martin Williams, of Giles.

Judge Williams was Democratic Floor leader at the last session, and while a receptive candidate for the speakership, he has not engaged in any active campaign for the position, not wishing to embarrass his brother, Attorney-General Samuel W. Williams, who was running for re-election. While Judge Williams was renominated from Giles and Bland counties, with little difficulty, it is reported that he will have strong Republican opposition to meet at the November general election.

Mr. Oliver said he had many assurances of support in his camaign for the speakership, and said he had had a hard fiight to secure the renomination in the recent primary.

PREMONITIONS OF DEATH.

Strange Mortality in Accomac County Family.

Baltimore, Aup. 21.—Recent recurrent dreams and promonitions in which she invariably saw her daughter, Miss Millie Satchell, 33 years old, shrouded in death robes, stained with blood, were realized yesterday afternoon by Mrs. Virginia Satchell, 2739 Eastern Avenue, when news was broken to her that her daughter had fallen dead at Howard and Franklin streets, adding another to a series of sudden deaths in the family.

A strange coincidence in the death of the young woman is that during the past few weeks she had on numerous occasions requested her mother to purchase a lot in Oak Lawn Cemetery, on the Eastern Avenue road, stating that if she died she wanted to be laid to rest in that cemetery. Her last request was made only a few hours before her death.

The sudden death of the young woman makes the fourth that has occurred in the family. When the family lived in Accomac county, Va., the father, while in his barn, dropped dead.

Several years later a brother, Thomas Satchell, died suddenly while doing some work about the house. On the following day, while the body of Thomas was still lying in the little parlor, John Satchell, another brother, died suddenly while doing some work about the barn.

The mother and daughter, left alone in the world, sold out their small farm and came to Baltimore to live. For the past six or seven weeks Mrs. Satchell had on numerous occasions in her dreams saw her daughter Millie, garbed in white robes. Oftimes large blood stains appeared on the robes.

Many times during the night, the mother horrified, would rise up in bed to see that nothing had happened to her daughter. Then she would drop off to sleep again, trying to forget the dreams, but in vain. Each time they reappeared, and the same white clad figure of her daughter made its appearance to her. She also had premonitions during the day.

Another strange feature of the death yesterday is that six years ago Mrs. Satchell had decided to marry a John Willis, of Accomac county, Va., a childhood friend. Willis, it said, came from his home in Virginia to this city and began making all the plans for the wedding. Just two days before the date set for the ceremony Willis dropped dead in the street.

MUCH MARRIED COUPLE.

Woman is Negro—Were Wedded in Washington.

Harrisonburg, Va., Aug. 21.—Charged with violating the miscegenation laws of Virginia, which provide penitentiary sentence of two to five years for whites and negroes who intermarry, William N. Webster, a white man, and Nellie J. Ralls, colored, were arrested a day or two ago and locked up in jail. The couple was married in Washington, D. C., and returned to Harrisonburg the same day and were at dinner in the Webster home in the north end of the town, when Deputy Sheriff Croushorn and Policeman Logan made the arrests on warrants sworn out by Sheriff E. J. Carickhoff before Magistrate Harman.

The prisoners were arraigned before the magistrate who committed them to jail to await a hearing next Wednesday. The woman produced a marriage certificate showing that she and Webster had been married in Washington by Rev. H. Schroader, a Lutheran minister, of Washington.

This is Webster's fourth matrimonial venture, he having been recently divorced from his third wife. The Ralls woman has been married once before, having been divorced from her husband, Raleigh Francis, a colored teamster at Harrisonburg.

The woman in the case is a mulatto. Her father is Bob Ralls, a negro blacksmith, of Harrisonburg. She is thirty-three years old.

Webster, whose age was given as thirty-five in Washington, did not appear in the least abashed when the officers placed him under arrest.

White Slave Traffic in Tripoli.

Rome, Aug. 21.—Driven from England, France, and other countries of Europe by vigorous police administration, white slave dealers have found their way to the new Italian colony of Tripoli, where the infamous traffic is attaining hideous proportions.

A man known to the police as one of the most notorious white slave traffickers in Turin, where a number of houses have flourished under his management, set up a big branch establishment in Tripoli.

His victims were procured from all parts of Europe, Algiers, and Egypt. The authorities got on the track of the organization through a young French woman who escaped from his clutches. As a result of her revelations six of the principals of this white slave trust have been arrested in Tripoli, and two others in Turin.

SINGLE BLESSEDNESS PAYS.

$300,000 Reward for New York Spinster's Evasion of Cupid.

New York, Apg. 21—As a reward for not having married, Miss Grace Blewett an attractive and cultured young woman of No. 966 Teller Ave., the Bronx, is heir to a fortune of $300,000 left by a spinster aunt of England, who appreciated Miss Blewett's views on the matrimonial question because they coincided with her own.

Miss Blewet is an attractive blonde, of regular features and queenly form. Many suitors have courted her since she reached the last of her teens, but, luckily for her, Dan Cupid's aim was very poor, and Miss Blewett has brought her hearth through unscathed.

Of the $300,000 there is said to be an estate containing 30 houses that rent on an average of $1,000 yearly, and the remainder is in cash. The property lies mostly in the Cornwall township.

Miss Blewett was enjoying a vacation in Pennsylvania when the news reached her, and she hurried home preparatory to sailing to England with a sister and brother, who also share in the estate.

Diarrhoea Quickly Cured.

"I was taken with diarrhoea and Mr. Yorks, the merchant here, persuaded me to try a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. After taking one dose of it I was cured. It also cured others that I gave it to," writes M. E. Gebhart, Oriols, Pa., that is not at all unusual. An ordinary attack of diarrhoea can almost invariably be cured by one or two doses of this remedy. It is one of the most successful preparations that has been discovered. Thousands have testified to its value. For sale by all dealers.

"The Sweetest Smoke in the World"

is Tuxedo in a "Panama" Corn Cob pipe with a mouthpiece and a genuine imported Weichsel stem.

Remember the old corn cob pipe you used to smoke? How sweet and cool it was always?

And for the best and simplest reasons: The corn cob naturally absorbs the nicotine from the burning tobacco. The smoke that enters your mouth must be sweet and cool. No other pipe has ever equalled the cob in its own sterling qualities.

The "Panama" is the Corn Cob Pipe de Luxe. It looks better—is made better—will last longer and gives the same sweet smoke as the old-time cob. The stem of Weichsel wood contains fragrant aromatic oils which are released when the smoke enters the stem, making a smoke which cannot be excelled in delicacy and sweetness.

The Greatest Men in America Endorse Tuxedo Tobacco

The live, virile men who make this country what it is, recognize the relaxation from nervous and mental strain, the *restfulness*—that comes from smoking Tuxedo tobacco. A host of famous Americans say frankly and emphatically that Tuxedo is the one tobacco containing every desirable element and not *one* that is undesirable.

Tuxedo strengthens your will to do. The soothing quality of a pipeful of this mild, delicious, aromatic tobacco restores your poise and revives your going power by enabling you to rest.

You can smoke Tuxedo! No matter how often you have tried to smoke a pipe and failed, there is comfort and satisfaction in pipe smoking for you if you fill your pipe with Tuxedo.

Tuxedo has made pipe smoking possible to thousands of men. The "Tuxedo process" of treating the finest, mildest leaves of the highest grade Burley tobacco, causes Tuxedo to burn slowly with delicious flavor and the most enjoyable aroma. Tuxedo cannot bite, sting or irritate the mouth, nose or throat.

Hundreds of well-known doctors, orators, actors, lawyers, singers, lecturers, ministers and other public speakers testify that smoking Tuxedo gives them the keenest pleasure and exercises a good influence on the throat.

Tuxedo has many imitators. None of them has yet discovered the "Tuxedo process." Tuxedo remains unique and unrivaled.
